FR. BOB'S WEEKLY BLOG

God wired us for worship.

Think about that for a while. Everybody worships. You might protest and say, "Fr. Bob, not everyone believes in God." That's true, but it is still true that everybody worships. They might not worship God but spend some time with them and soon you will discover the object of their worship.

Some folks worship power. Others worship money. And still others put pleasure or honor/fame on their altar. In our own day, we are also seeing a rise in the worship of self.

Well, there is nothing new under the sun. People have always turned to false idols; something we make a god that is NOT GOD. We are not immune in the year 2023 from turning away from the One True God and making something or someone else a god.

A few months ago, during the context of spiritual direction, I asked the young man who is my directee what his peers are turning to in place of religion. He quickly answered, "politics." His answer did not surprise me. "Put not trust in princes." (Psalm 146).

God wired us as worshiping creatures. And in the wake of the suffering, death, resurrection and ascension of Christ, we have an amazing avenue to direct our worship. For Catholics, this is the Holy Sacrifice of the Mass.

Holy Mass is the sacred place where we can step out of the ordinary of the world and step into the extraordinary liturgy where heaven and earth KISS. Jesus is the mediator between divinity and humanity. We see all this with eyes of faith.

Sunday is the Lord's Day. This is the new Sabbath, and we are to keep it holy. Six days a week we labor. The Lord sets aside one day in which we nourish our souls. We worship God. We rest. We spend time with family.

Remember, God doesn't need our worship. Sometimes earthly tyrants do. God does not. However, we need it. We need to remember the saving acts of Christ; not just for humanity,

but for YOU specifically. He dies so that we may have LIFE. Heaven starts now.

May our gathering for Sunday Mass bring us closer to God and closer to each other.

Matter of Perception

Over the past few years, it has become apparent to me that many people think the Archdiocese of Chicago has done nothing to address the sexual abuse of children by clergy.

This is NOT true. The AOC has set the standard nationally for itself and other institutions for how to justly, respectfully, and swiftly deal with any kind of abuse of a minor. Policies, standards and procedures have been put in place for the past 30 years.

We must, however, accept the fact that deviant crimes took place in the past (primarily in the 1960s, 1970s, and 1980s). There must be justice for the victims and their respective families. These crimes have real victims; men and women who are real human beings scarred for life. We cannot deny this history. Whatever is true must come to light.

However, we must also recognize the steps taken by AOC leaders over the past three decades that have helped minimize, if not eliminate, the sexual abuse of children.

Anyone who works or volunteers in the Church and has direct contact with youth MUST have a criminal background check, be Virtus trained, be a mandated reporter, and complete regular compliance checks. Our teachers and our catechists are vetted.

A young man discerning the priesthood must undergo a 4-5 hour psychological exam before being admitted to the major seminary. He also has a background check done on him. Upon entering the seminary, he too undergoes regular Virtus training and has mandated reporter training. In the process of his 4-6 years in the major seminary, he undergoes regular formation meetings, and is evaluated by faculty each year.

We certainly wish all these things were in place back in 1960, but they weren't. Not in the Church. And not in other major institutions. We've learned a lot since the 1960s.

Much of what we are seeing reported in the news are abuse cases from decades ago. This is not to excuse any of the deviant behavior but merely to point out that credible cases of sexual abuse of a minor by a priest have plummeted over the past few decades.

The previous three archbishops of Chicago have engaged this issue, and our current archbishop (Cardinal Blasé Cupich) takes this issue very seriously along with the lay leaders who assist in this area.

If there can be a silver lining in such unseemly news, we hope the Archdiocese of Chicago can serve as an example for other institutions of what can be done to address the sexual abuse of minors.

This is always an uncomfortable topic. But if we are truly serious in the year 2023 about addressing this issue, then we need to look at ALL corners of society. Yes, the Church, but if anyone thinks this issue is exclusively a Catholic Church issue, then they are being either naïve or intentionally misleading.

Sexual abuse of children happens in families, sports organizations, scouts, grade schools, and high schools. It can happen in Hollywood and Washington DC. There also exists today rings of international sex trafficking of children. There are people who supply for the sick demand. The sexual abuse of a minor by ANY adult is always morally wrong, but in the Church, it is scandal of the highest sort.

Some folks may perceive this bulletin article as an attempt to misdirect or downplay what has taken place within the walls of the institutional Church. I, however, desire it to be a lesson in keeping proper perspective about a very serious issue that pervades our society today. May we continue to see this issue with eyes of truth and justice.

Mary, Queen of Sorrows, pray for us!

ECHO is a dynamic and immersive Catholic retreat experience of St. John Paul II's landmark teaching called the Theology of the Body. This year, ECHO Chicago is geared towards young adults. ECHO is not just an intellectual exercise, but a journey into the heart where we discover the "distant echo" of God's plan for life and love from the very beginning.

Focused on identity, prayer, vocation, relationships and the Catholic Church's teachings on human sexuality, participants are invited into a new level of freedom to be the gift that God has called them to be. ECHO Chicago will be an overnight retreat that begins on **Friday evening, June 23** and concludes on **Sunday evening, June 25**.

Young adults must be at least 18 years of age and one year out of high school to qualify for the ECHO Chicago 2023. The weekend retreat has limited space so please register early to ensure your spot.

The cost for the retreat is \$350. This includes dorm room accommodations, meals for the weekend and all the fun sessions.

FAITH FORMATION

Important!

WHAT MAKES A DAD?

God took the strength of a mountain,
The majesty of a tree,
The warmth of a summer sun,
The calm of a quiet sea,
The generous soul of nature,
The comforting arm of night,
The wisdom of the ages,
The power of the eagle's flight,
The joy of a morning in spring,
The faith of a mustard seed,
The patience of eternity,
The depth of a family need,
Then God combined these qualities,
When there was nothing more to add,
He knew His masterpiece was complete,
And so,
He called it....Dad.

Happy Father's Day

"Go and Teach All Nations"

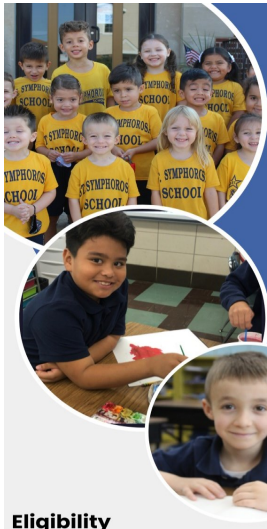

Recruiting Catechists for our Faith Formation Program is a year round process. We are always "on the alert" for faith-filled and generous parishioners who have a desire to share their faith with our young people. As we approach another year of faith formation beginning in September, we would like to share the following thoughts on becoming a Catechist.

TOP TEN REASONS FOR BEING A CATECHIST

(compiled by Joe Paprocki, National Consultant for Faith Formation, Loyola Press – Author and Catechist)

1. You will grow in your own faith, learn the teachings of the Church, and deepen your relationship with Jesus.
2. Your baptism calls you to share in Jesus' ministry.
3. Children, teens, and adults in today's world, more than ever, need to hear the good news of Jesus.
4. Children, teens, and adults in today's world, more than ever, need to encounter good role models of faith.
5. You have much to share with those you'll teach and you'll have opportunities to share faith with other Catechists.
6. Today's catechetical textbooks/resources offer outstanding support.
7. You'll be challenged, you'll have fun, and you'll make new friends.
8. You'll be helping young people deepen their relationship with Jesus. (You'll be evangelizing!)
9. You'll be handing over a 2,000 year old tradition that changes lives.
10. It's our job: Jesus sent us to **"go and teach all nations"**.

What is TotusTuus?

The Totus Tuus program aims to inspire young people to long for holiness, develop a deep desire for conversion and personally renew their faith with a stronger prayer life. Through evangelization and catechesis, Totus Tuus seeks to foster openness to the sacrifices and blessings of the various Christian vocations.

The program began in 1987 as a vacation bible school program in the Diocese of Wichita, Kansas. In 2007, Totus Tuus of Chicago launched its pilot program with two teams serving 10 parishes in the Archdiocese of Chicago and the Diocese of Joliet. The program continues to expand, now serving over 24 parishes in the Archdiocese of Chicago.
